

Volume I

CONTENTS

Foreword	ii
Letter from the Commanding General	v
Letter from the Director	vii
Abstracts at a Glance	x
 Poster Session Title	
Oncogenes.....	P1
Mammary Gland Development.....	P2
Signal Transduction	P3
Transcription, Translation, and Modification	P4
Genomics and Proteomics.....	P5
Endocrine Carcinogenesis.....	P6
Hormone Receptors	P7
Biomarkers I.....	P8
Tumor Progression I	P9
Apoptosis	P10
Tumor Immunology	P11
Lifestyle	P12
Chemoprevention.....	P13
Nuclear Medicine Imaging	P14
Computer-Aided Diagnosis	P15
Drug Design and Development I	P16
Radiotherapy	P17
Epidemiology I.....	P18
Author Index	J-1
Volume II.....	P19-P35
Volume III.....	P36-P59

Volume II

CONTENTS

Foreword	ii
Letter from the Commanding General	v
Letter from the Director	vii
Abstracts at a Glance	x
 Poster Session Title	
Cell Cycle	P19
BRCA1 and BRCA2 Tumor Suppressor Genes	P20
EGF Superfamily	P21
DNA Damage and Repair	P22
Mechanisms of Hormone Action	P23
Biomarkers II	P24
Tumor Progression II	P25
Adhesion, Motility, and Cell Shape	P26
Proteolysis in Tumor Progression	P27
Digital Imaging	P28
Ultrasonography	P29
X-Ray Imaging	P30
Drug Design and Development II	P31
Gene Therapy	P32
Immunotherapies	P33
Biobehavioral Sciences and Decision Making	P34
Epidemiology II	P35
Author Index	I-1
Volume I	P1-P18
Volume III	P36-P59

Volume III

CONTENTS

Foreword	ii
Letter from the Commanding General	v
Letter from the Director	vii
Abstracts at a Glance	x
 Poster Session Title	
Growth Factors and Cytokines.....	P36
Tumor Suppressor Genes	P37
TGF- β	P38
Tyrosine Kinase Signaling	P39
Functional Studies of Biological Molecules	P40
Signaling: Life and Death	P41
Chromosome Structure	P42
Familial and Hereditary Carcinogenesis	P43
Genomic Instability.....	P44
Adhesion Molecules, Extracellular Matrix, and Cytoskeleton in Tumor Progression.....	P45
Angiogenesis.....	P46
Nutrition and Neutraceuticals	P47
Novel Imaging	P48
Magnetic Resonance Imaging	P49
Clinical Management of Breast Cancer	P50
Evolving Therapeutic Targets.....	P51
Targeted Therapies.....	P52
Hormone Therapy and Resistance	P53
Breast Cancer Vaccines	P54
Drug Resistance	P55
Community, Consumer, and Clinical Partnerships	P56
Complementary and Alternative Medicine	P57
Quality of Life.....	P58
Investment in the Future: Breast Cancer Training Programs	P59
Author Index	I-1
Volume I	P1-P18
Volume II	P19-P35
